

Personal Best Balance 1

Child Pose

Sit back on your heels, slowly bring your forehead down to rest on the floor in front of your knees, rest your arms down alongside your body, and take a few deep breaths. Hold steady for 30 seconds.

Practice every day to see if you can improve your pose or the length of time you can hold your pose.

Personal Best Balance 2

Frog Pose

Come down to a squat with your knees apart and your arms resting between your knees. Press your hands together. Hold like a frog for 30 seconds.

Practice every day to see if you can improve your pose or the length of time you can hold your pose.

Personal Best Balance 3

Rock and Roll Pose

Lie on your back, then place hands on knees at chest, next lift your head and rock on your back.
Forwards and backwards for 30 seconds

Practice every day to see if you can improve your pose or
the length of time you can hold your pose.

Tortoise Pose

Sit on your bottom with your knees bent and your feet flat on the floor. Then take your feet out wide and be sure you are sitting with a tall, straight spine.

Slide your arms under your knees and place your hands flat on the floor outside your legs. Bend forward, keeping your back and neck straight. Hold for 30 seconds.

Practice every day to see if you can improve your pose or the length of time you can hold your pose.

Personal Best Balance 6

Shark Pose

Sit back on your heels, slowly bring your forehead down to rest on the floor in front of your knees, bring your arms back pointing your hands in the air like a shark fin. Take a few deep breaths and hold steady for 30 seconds.

Practice every day to see if you can improve your pose or the length of time you can hold your pose.
