

Target Throw Challenge

Are you ready for the Target Throw Challenge?

- Year 3 and 4 children will compete as individuals.
- Place 3 hoop on the floor, one 1 metres away, one 2 metres away and one 3 metres away.
- Children in Year 3 and 4 stand at the starting line and attempt to throw a tennis ball / bean bog / socks into any of three hoops. If the ball lands in the first hoop without touching the ground first they score 2 points, if it lands in the second hoop they score 3 points and if it lands in the third hoop they score 5 points.
- There is 1 minute to score as many points as possible! Note that the ball doesn't have to stay in the hoop, it can bounce out and away, it must just land in the hoop without touching the floor first to score any points.
- You have until the **Friday 12th February** to complete the challenge with as many children as you want.
- Please complete and email back the attached scoresheet to **d.sweeney@kirkbyhighschool.net**.
- When completing the scoresheet please put the number of children that competed in each year and **ONLY** put the name and score of the top scoring child in each year group.
