

Nomination form: for teachers to nominate a potential Barclays Game Changer

Please read the teacher guidance pack before filling in this nomination form to ensure the young person you are nominating meets the criteria and that you are able to offer ongoing support if the nomination is successful.

Fill in this form and submit with a written summary (trying to keep the nomination to less than a side of A4) telling us why you feel your young person would make a fantastic Barclays Game Changer.

Tell us a little bit about:

- What skills and qualities they could bring to the role of Barclays Game Changer?
- What is their 'story' or background within football or sport that would support the message of #LetGirlsPlay and equal access to football for girls in schools?
- Why would you like to host a Barclays Game Changer in your school?

Please add anything else you would like to tell us to support your nomination.

Declaration of school commitment

If your nomination is successful, your nominee will be invited to become a Barclays Game Changer representing not just their school, but the whole of their Barclays Girls' Football School Partnership. They will require ongoing and regular support from yourself or another dedicated member of school staff throughout the duration of their role.

This will include:

- Ensuring access to the online training provided - the initial training will be managed in small groups and will take place live online (via zoom), this will be during the school day, with a recommendation that it is during a lunchtime. It is imperative that you can support the young person to access the training sessions.
 - On completion of training follow up will be needed with BGFSP Strategic Lead to agree an action plan, this must then be sent home and a signed copy received back to you from the parent/guardians.
 - Regular check-ins with the young person and BGFSP Strategic Lead on progress.
- Ongoing support from you will be really crucial for the success of the young person in this role and to raise and manage any concerns when they arise so please consider how this will be managed. As a minimum we would expect you to have a conversation with the young person at least every fortnight to check-in. You will be provided with a log sheet to capture notes from these check-ins which could be a quick conversation or a more formal session depending on need.

I have read and understood the information outlined in the [Guidance for Schools](#) document
