Girls Football – Shooting Stars

Created by The FA, Disney inspired Shooting Stars transforms girls into their favourite superheroes through active play.

- Schools can bring the magic of Disney into breakfast clubs, lunchtime and after school activities. Through imaginative storytelling, girls will develop their:
 - Fundamental movement skills, teamwork, speaking and listening skills, mental wellbeing and confidence
- Disney inspired Shooting Stars is perfect for primary-aged girls, particularly those who tend to shy away from physical activity.

Girls Football – Shooting Stars

- The programme provides school staff with fully funded on-demand training and ready-to-use resources, equipping them with everything needed to run the engaging sessions. It also contributes to schools' plans to deliver high quality PE and sports for all pupils, and supports Key Stage 1 physical education outcomes.
- School staff can register and complete the training online at a time that suits them.
- The training is available in 5 modules, with a total completion time of 90-minutes - 2 hours.
- **Please note: school staff must register and complete training with a school based e-mail address.**
- The platform can be accessed via the link: [Disney Inspired Shooting Stars | England Football Learning](https://www.EnglandFootballLearning.com)

A close-up portrait of a woman with dark, curly hair, smiling warmly at the camera. She is wearing a dark jacket over a red shirt. The background is a blurred soccer field at night, with stadium lights visible in the distance and a traffic light on the right side.

We are made for this game.
